Belinda

Here's your water.

Ali

Oh, thank you hon.....Bottled water. Frozen steaks. Brought all that stuff in like Africa ain't got no steaks.

Belinda

You could pick up parasites.

Ali

Mobutu eats it.

Belinda

Mobutu's takin care of Mobutu. He steals all the wealth and sends it to Switzerland.

Ali

What that got to do with any of why we here?

Belinda

We are here 'cause Don King got Mobutu to put up 10 million dollars. Don King don't care about Africa, he's worse than Herbert.

Ali

Mmmm, here come Herbert.

Belinda

And Don King fit right in too. Now he's a Dashiki wearin rip-off.

Ali

Don King delivered the first-ever, black-promoted championship fight in Africa.

Belinda

Don King talks black, lives white and thinks green and you're defending him and Brother Herbert?!

Ali

'Cause clean-cut Muslims in a parade on the South Side of Chicago ain't goin get this done!.....I got to put honkies with connections and bad-ass niggas to it!

Belinda

And now they matched you up against George Forman. Do you think they give a damn if you get killed?!

Ali

So that's what you think?

Belinda

I just wanna know why my Muslim husband is allowing himself to get strung up on a cross?.....Just tell me why?.....Miriam's sick....maybe I outta go back to Chicago and look after her?

Ali

Sure.

Belinda

Well then, I guess I'll be back before the fight. If that's alright my husband?!
