

THE BROTHERS

DERRICK

Hey girl we gotta get Janel some new books to read her to sleep. I got Dr. Seuss coming out of my ass.

SHEILA

I know. She does the same thing to me. So I suppose Terry's having a bachelor party with lots of naked hoes running around there.

DERRICK

Yes, he is. I never thought Terry would fall. He got me feeling like an old married man.

SHEILA

All this excitement over Terry is a bunch of trouble for nothing. First of all, he is not the husband type. He and that Brain have been bed hopping ever since we've known them.

DERRICK

Terry ain't shit.

SHEILA

And he's gonna give that up? Please! A crack head would have a better chance at a weight lifting contest, okay?

DERRICK

You are funny. Boy, that was a good one. Crack and weights. You crack me up.

SHEILA

Well, it sounds like the coast is clear.

DERRICK

Yeah.

They start to make out.

DERRICK

You go on and express yourself. Let me get that for you.

SHEILA

Oh, no!

DERRICK

Come on baby! What is wrong now

SHEILA

I'm just not ready.

DERRICK

What do you mean you're not ready? Sheila, you promised.

SHEILA

But I've been thinking and I can't do it right now.

DERRICK

Ahh, Sheila, come on! We've been married for three long years.

SHEILA

I know, but...

DERRICK

But what?

SHEILA

It's nasty.

DERRICK

What the -. You know. I 'm gonna calm down. Come on now. Come here. Oh, yes. I know. Yes, I know. You're all tense and everything. Relax. Okay. Relax your jaws too. Relax. Yes, yes. See, speak into the mic. That—see? See?

SHEILA

No, no, no.

DERRICK

Damn it! You got me hard as Chinese arithmetic in here and you're bullshitting!!

Derrick exits the bed room to get a drink.

SHEILA

But Derrick wait. Derrick, why did you come in here?
Why are drinking at this hour?

DERRICK

Because I am a grown man and I cannot get head from my own wife!

SHEILA

Why don't you just go into our daughter's room and yell it to her?

DERRICK

Look, Sheila, we have talked about this. We went to the counselor. We bought the books. You said you were ready.

SHEILA

I know, but I was eating a banana earlier today and I gagged on it.

DERRICK

Just don't gag on my banana, we can get this show on the road.

SHEILA

Derrick, honey. I can't.

DERRICK

See, I do it to you.

SHEILA

But I don't ask you to.

DERRICK

You do not stop me either.

SHEILA

Okay, well, fine. You don't have to do it anymore.

DERRICK

See, that's the difference between you and me Sheila. See, I don't mind doing it. I even like it.

SHEILA

So if I had a dick, would you suck it?

DERRICK

What kind of question is that? You ain't no man, I ain't no woman.

SHEILA

Just answer the question. If I had a dick, would you suck it?

DERRICK

Yes, I would suck your dick wearing a Viking hat and a Little League chest protector.

SHEILA

Derrick, baby!!

DERRICK

I paid my dues.

SHEILA

Baby, Derrick. Honey, please. All my life I was taught that good girls just don't do that. My mother used to tell me if I did that I would get cancer. I am dealing with some serious psychological barriers here.

DERRICK

Yo mama! Girl, your mama sucked so much dick, she walks around on her knees.

SHEILA

My mother is a saint!

DERRICK

She must be Saint Suck A Dick.

SHEILA

Your mama is senile.

DERRICK

See, my mama got an excuse. Your mama fucked up for no reason!

Sheila hits Derrick with a pillow.

DERRICK

You hit me with that pillow again.

SHEILA

What? You're gonna hit me? Go ahead. Beat me, IKE, beat me. I am gonna go watch television. I don't wanna talk about this anymore.

DERRICK

All right, have a banana. Get freaky with a peach, for all I care.

SHEILA

Derrick, we have a daughter. Are you going to advise her to go down on her boyfriend?

DERRICK

Yes I am, right after I tell her that sucking dick don't cause cancer.

SHEILA

Nasty old thing!! "Suck my dick, suck my dick, suck my dick, suck my dick."

DERRICK

It's good for your skin.
