

The Client

Roy: Good Afternoon Ms. Love. The young master Sway all ready?

Reggie: Roy, I'm sorry but the meeting's been cancelled.

Roy: Uh (clears throat), I beg your pardon?

Reggie: Why don't you let me debrief the child and give you a statement in writing. Now you
And I both know he doesn't know anything.

Roy: We need to talk to this child Reggie, we have a set of confirmed fingerprints put him right inside Jerome Clifford's car. All right, now what you and I gonna do about that?

Reggie: Well, I think Roy that the big question is how did you match his fingerprints

Roy: Simple, we lift one off the soda can at the hospital.

Reggie: And did you ask either Mark Sway's mother before doing so? So you invaded the privacy of an 11 year old child.

Roy: Ms. Love we were just trying to obtain evidence.

Reggie: Evidence for what? So his prints are inside the car. You have absolutely no proof that he ever interacted with Clifford.

Roy: Kid has a bruise on his left cheek bone. We found a spot of blood on Clifford's ring not his type.

Reggie: Well let me guess, Mark Sway's blood type?

Roy: That's right.

Reggie: And how did you obtain Mark Sway's blood type?

Roy: From his brother's hospital admission records.

Reggie: And how did you obtain his brothers confidential hospital records?

Roy: Look here now Ms...

Reggie: No you look here, If you get anywhere near my client again without my permission, I'm going to sue you and the FBI for civil rights violations. I'm going to file an ethics complaint with the state bars of Louisiana and Tennessee and I'm going to haul your ass into court.

Roy: You're playing big league hard ball here Ms. Love. We don't respond to threats. Now does Mark Sway's mother know you've been institutionalized for drug and alcohol abuse, huh?

Reggie: (long pause) It was a treatment center. You just close the door when you leave.

Roy: Reggie, listen, you've been practicing law for 2 years. You're not equipped to handle this case. We know more about your client's actions than you do. You're an amateur Reggie. Your client's in serious peril now think that over. Would you open that door and let me talk to him.

Reggie: You are so good. I am not going to let you use this child to climb into the governors chair. You think you look good on TV? If you or your guys attempt to contact my client or his family again, I'm going to put little Mark Sway on the news prime time and you can tell everybody how you tramped with the constitutional rights of an 11 year old and I've got the tape to prove it.

Roy: We'll talk to that boy ,you miss one step and I'll eat you alive.

Reggie: Jesus Christ! I am going to kill that kid. ^
