

The Proposal.

Andrew: So, so naked.

MARGARET Can we not talk about that please?

Andrew: I'm just saying.

MARGARET So what's the deal with you and your father?

Andrew: Oooh! I'm sorry that question is not in the binder.

MARGARET Oh really, well I thought you were the one who said we needed to learn all this stuff..

Andrew: Not about that I didn't.

MARGARET But if the guy asks us..

Andrew: Not about that Margaret! Goodnight.

MARGARET I like the Psychic Network.

Andrew: What?

MARGARET Not in the ha ha isn't that funny she likes that trash kind of way, I actually quite enjoy it. Umm. I took disco lessons in the 6th grade. My first concert was Rob Base and DJ EZ Rock. I think Brian Dennehy is sexy. I don't like flowers in the house cause they remind me of funerals. I've never played a video game. I read Wuthering Heights every Christmas, it's my favorite book. I haven't slept with a man in over a year and a half. And I went to the bathroom and cried after Bob called me a poisonous bitch. And

the uhh bird tattoo, they're swallows. I got them when I was sixteen. After my parents died. Stupid. I'm sure there are many many other things but that's all I can come up with right now. You there?

Andrew: I'm here. Just processing. You really haven't slept with anyone in 18 months?

MARGARET Oh my God, out of all that, that's all you got.

Andrew: That's a long time.

MARGARET Yeah well, I've been a little busy.

Andrew: Yeah. Who's Rob Base and DJ...

MARGARET EZ Rock?

Andrew: Yeah.

MARGARET You know "It takes two to make a thing go right, it takes two to make it out of sight."
Durrn nurr na

Andrew: Uh-uh..

MARGARET They were good.

He laughs

MARGARET What?

Andrew: Nothing. I know who they are I just wanted to hear you sing it.

She laughs, then sighs

Andrew: Margaret?

MARGARET Yes?

Andrew: Don't take this the wrong way.

MARGARET Ok.

Andrew: You are a very, very beautiful woman.

(Starts singing) "I wanna rock right now. I'm Rob
Base and I came to get down."

MARGARET "I'm not internationally known but I'm
known to rock the microphone"

MARGARET "I get stupid.."

Andrew: "It takes two to make a thing go right"

She laughs

Andrew: "It takes two to make it out of sight. It
takes 2 to make a thing go right"

MARGARET Feel it deep, feel it low.

They start laughing.
