

*(knock at door)*

Colin: Miss me?

Abby: Colin?

Colin: What you were expecting someone else?

Abby: No

Colin: Since you couldn't come to Lake Tahoe, I decided to come to you

Abby: Oh...how did you know I was here?

Colin: Joy told me. I just started to think about all the stuff we were gonna do there and, come here (pats sofa next to him) and I decided I couldn't wait. A little champagne?

Abby: Yeah

Colin: Great. So happy to be here. What's wrong?

Abby: Nothing. You just surprised me.

Colin: You told me you were spontaneous

Abby: Yes, I did.

Colin: I have a little something else on it's way up for you, you are gonna love it.

*(champagne pours all over him)*

Colin: Oh man, it comes out so fast you know? Guess I'll have to get naked sooner than I thought!

Abby: I'll get you a towel

*(she leaves, knock on door, etc)*

---

Abby: Sorry about that

Colin: No, honestly, no worries. Come here. The rest of the night is ours. To the first, of many, romantic evening to come.

*(She slams her champagne)*

Colin: Whoa. Um, OK.

Abby: Mmm. Yeah. OK. Colin, why do you like me?

Colin: Oh, uh, wow, um, you're beautiful, you're smart, you, uh, you never criticize. Oh, you never try to control the situation, and I gotta say, it's a breath of fresh air, because I know so many women who are total control freaks, and it's a nightmare, and I just love that you're not like that.

Abby: But I am. I'm just like that.

Colin: Wait, what do you mean?

Abby: Well, this should be chilled. But you already know that. And, um, as awful as it sounds, I was editing that speech the entire time you were giving it. And that time you fed me caviar, I was in physical pain, I hate being fed like a toddler. That's how much of a control freak I am. But I couldn't show you any of that, because who would love someone like that. No one. *(beat)* I'm so sorry. You are a great guy, you really are. Which is why I have to tell you that I have not been myself. Not for one second of the time we were dating.

Colin: Then who have you been?

Abby: The girl some idiot told me to be.
