

## Wedding Crashers

### Cat & Mouse scene

Kathleen - I just had my tits done. You like 'em?

John - Those... seem like lovely tits.

Kathleen - William doesn't give a shit about my tits.

John - Well, darn him. But Mrs. Cleary, this is pretty sudden.

Kathleen - You've been playing cat and mouse with me ever since you came here.

John - Mrs. Cleary, I don't...

Kathleen - Call me Cat

John - Okay, Cat...

Kathleen - Call me Kitty Cat.

John- Okay, Kitty Cat, this feels borderline inappropriate, and...

Kathleen - Feel them.

John - What?

Kathleen - I said feel them.

John - Mrs. Cleary...

Kathleen - Kitty Cat.

John - I'm sorry, Kitty Cat. Are you out of your fucking mind?

Kathleen - I'm not letting you out of this room until you feel them.

John - Wow, they feel really nice. Real orb-like.

Kathleen - Pervert.
