

# What's Your Number?

Colin

Honey, I'm home. So, I TIVO'd Mexican wrestling for you and I cooked. They're supposed to be taquitos, but they look like cannolis, and they kind of taste like egg rolls. What are you doing? You working on the diner? All right, don't let me bug ya.

Ally

Hey, so just out of curiosity, did you ever hear anything from Jake?

Colin

Nope

Ally

Really? Not a phone call? Nothing?

Colin

Nope

Ally

Okay, well uh, I'm kind of busy right now so I guess I'll just see ya later.

Colin

Ally, wait. Wait Wait...

Ally

Just go! I don't want to hear any more lies!

Colin

Alright, yes Jake is back in town and I do have his number but I didn't think that mattered now.

Ally

Would you please just go?

Colin

What about last night?

Ally

I think we should just forget about last night.

Colin

Because of Jake?

Ally  
No, because you're not the kind of guy I'm supposed to end up with.

Colin  
What kind of guy am I Ally?

Ally  
You're the kind of guy you date before you meet the guy you end up with and I've already dated 20 of you.

Colin  
So, you're going to try to make it work with Jake, a guy you haven't seen in years just so you don't go over the number 20?

Ally  
It's not just about a number anymore, okay?

Colin  
Okay, than what is it?

Ally  
It's what I want!

Colin  
You don't know what you want Ally! You're so busy trying to be what everyone else wants you to be you don't know who you are!

Ally  
At least I have relationships. You can't even hang out with a woman 24 hours without sleeping with her!

Colin  
That was true until I met...you.

Ally  
Well, I'm sure if we would have slept together, you'd be long gone by now because that's who you are Colin, and that's who you'll always be.

Colin  
Whatever you say Ally. You obviously have it all figured out.

Ally  
And I do know who I am! I'm someone who's not going to let another undeserving asshole into my heart. Or my Vagina!  
(Shut the Fuck up!)  
Stop fucking your dog
