

Pretty Woman

VIVIAN

Listen, I've been calling you.

KIT

Yeah, I know. They told me at the Banana you were
lookin' for me.

VIVIAN

You were supposed to come by Tuesday. I left the money
at the desk

KIT

I was hidin' from Carlos. - Well, if you picked up the
mone

VIVIAN

Well, if you picked up the money, you wouldn't have to
hide.

KIT

I was busy. I had a life. Nino got beat up. We had to visit him in the hospital, Rachel got arrested. It was a mess. Anyway, I got the money. Thank you very much for saving my ass. Now Carlos can get off of it. You know, he was talkin' about you last night. He would bust somethin' if he saw you in this outfit. I was afraid to hug you up there. I might wrinkle you ! You look really good. You clean up real nice. You sure don't fit in down on the Boulevard lookin' like you do, not that you ever did.

VIVIAN

Well, thanks, but it's easy to clean up when you got money.

KIT

So, when does he leave ?

VIVIAN

Tomorrow.

KIT

You get to keep the clothes ?

VIVIAN

Yeah. Edward asked me if I wanted to see him again. But I think, I think definitely no. It's just another week, right ?

KIT

"Definitely no."

VIVIAN

Yeah.

KIT

Oh, no.

VIVIAN

What?

KIT

I know this weepy look on your face. - Oh, no, you don't ! You fell in love with him.

VIVIAN

No. Kit, please. Stop it.

KIT

You've fallen in love with him ?

VIVIAN

Kit!

KIT

Did you kiss him ? On the mouth ?

VIVIAN

Uh, yeah, I did.

KIT

You kissed him on the mouth ?

VIVIAN

I did. It was nice

KIT

You fall in love with him, and you kiss him on the mouth. Did I not teach you anything ?

VIVIAN

Look, I'm not stupid, okay ? I'm-- I'm not in love with him. I just-- I like him.

KIT

You like him ?

VIVIAN

Yeah.

KIT

You definitely like him. Well, he's not a bum. He's a rich, classy guy.

VIVIAN

Who's gonna break my heart, right ?

KIT

Oh, no. Come on. You don't know that. Hey, he asked you, right ? Maybe you guys could, like, um, you know, get a house together. Like, buy some diamonds and a horse. I don't know. Anyway, it could work. It happens.

VIVIAN

When does it really happen ? Who does it really work out for ? Did it work out for Skinny Marie or Rachel ?

No !

KIT

Those were very specific cases of crackheads

VIVIAN

I just wanna know who it works out for. You give me one example of somebody that we know that it happened for.

KIT

Name someone?

VIVIAN

Yeah, one person that it worked out for.

KIT

You want me to give you a name or something.

VIVIAN

Yeah.

KIT

Oh, God, the pressure of a name.

[beat]

Cinder-fuckin'-rella!
