

40 Year Old Virgin

D: Andy... Andy come on...we were just kidding ...come on, Andy nobody cares that you're a virgin...don't be such a baby - they were just having fun - they didn't mean anything

A: Get away from me David

D: Wait a minute

A: Stop following me

D: Hold on...look – look - come on - shit hold on will you

A: I'm gonna have to quit my job now

D: You don't have to quit your job

A: Now I don't want to go out with you guys, OK, I don't need your help

D: Ok fine - you don't have to go out with us if you don't want to

A: You know what, I respect women, I love women. I respect them so much that I completely stay away from 'em.

D: OK

A: I have a very fulfilling life

D: How could've this not happened

A: It just never happened – when I was young... I tried and it didn't happen and ...then I got older and I got more and more nervous because it hadn't happened yet and I got kinda weirded out about it and then it really didn't happen and and I don't know I just kinda stop trying

D: Do you wanna give it another shot?

A: Maybe its too late – I uhh,..- sometimes I feel that its it's too late for me

D: Oh no that's crazy.. you're forty years old.. you know.. forty is the new twenty.. you wanna spend the next 60 years of your life never experiencing sex. Not just sex but, but love and relationships and laughing and cuddling and all that shit?

A: I don't know, I, I wouldn't know what to do

D: Look you got to take a risk. You got to risk it. Look at me. I went out with girl for four months and it was the greatest... greatest thing in my life ... until she went down on this guy in an escalator, I think. And you know, instead of like saying "OK, what I'm I doing that caused this behavior," I dumped her. Stupid decision. I've spent the last two years of my life regretting it.

A: Well why don't you get her back right now

D: Huh? She's dating this pot-dealer. Stupid horrible decision. I... but hey that's her journey. You know. I gotta respect that. I gotta give her the space. If she wants to be some immature little bitch and blow everybody that's...that's love man.

A: Sounds horrible

D: Of course it's horrible. It's suffering and it's pain and it's you know...you lose weight and you put back on weight. And then you , ya know, you call 'em a bunch of times and then you try to email 'em, and then they move and then they change their email.. and that's just love man.

A: You realize that this is the first time we've spoken for more than like 30 seconds

D: Uh-huh

A: Kinda nice

D: Come out with us this weekend. No pressure. We'll just have a good time

A: Ok yeah I will – I'll give it a shot

D: Great –

A: Fine, but I'm not going to have sex with anybody

D: Good, sex should be the last thing on your mind.
