

HITCH

Hitch

Tonight I want you to meditate on the image of an iceberg. You know why I want you to do that?

Albert

Because I'm cool.

Hitch

No.

Albert

I know I'm not.

Hitch

I'm saying in that you are an iceberg in that over 90% of your mass is below the surface.

Albert

I know I'm heavy, I am.

Hitch

I'm talking about who you are. It's a metaphor. Accounting, business, all of that is just a small part of a much deeper richer outlet. Alright so it's going to be loud in there so this is our opportunity to break the touch barrier in a non-sleezy way. So get to where it's loudest, ask her if she would like a drink, lean in and place your hand on the small of her back. Say it in her ear, like a secret. Watch your hand placement, to high just says I want to be friends, to low says I just want to grab some ass.

Albert

Friends. Me. Ass

Hitch

Special issues. Allegra Cole is a celebrity, which means that when people talk to her they will ignore you completely. Now she's classy so she'll introduce you. When she does shake hands hard and speak up, let them know that your there. Show her you can handle being her escort. Women can always tell when you are not being real with them. The worst thing you can do is try to fake it, because you are a great guy and you do have something to offer Allegra that no other man does. But when all is said and done tonight is not about Allegra.

Albert

It's not?

Hitch

No tonight is about Maggie. A woman's best friend has to sign off on all big relationship decisions. So you cannot afford to mess this up. So tonight you focus on one thing and one thing only.

Albert

Maggie?

Hitch

Now about the DJ, generally I have a firm no dancing policy. But if she asks, you cannot say no.

Albert

Dancing is the one thing I'm not worried about. But if there are people there, and then...

Hitch

I'm sorry, I hate to be a stickler, but I need to be thorough, can you um show me what you mean by your not worried about it.

Hitch plays music and Albert dances.

HITCH

Albert

Trust me you don't have to worry. That's what it's all about right there. See how it gets bigger. Now I'm going to start the fire, but the feet are going. Start the fire, I make the pizza. Hips are always going. Can't get enough hip, from there the Q-tip, Q-tip, Q-tip, throw it away. That's not working you hit her with this.

Albert does last dance move.

Albert

Uah, uah, uah, uah.

Hitch turns music off.

Hitch

Don't ever do that again. Do you hear me?

Albert

Just expressing myself.

Hitch

Noo, Noo. Not like that you're not. Alright.

Hitch turns music back on and shows Albert how to dance.

Hitch

This is where you live. Right here, you live right here. This is home. None of this, I don't want to see none of that. You don't need no pizza, they got food there.

Albert and Hitch are dancing.

Hitch

Elbows six inches from the waist 90 degree angles. Don't you... Don't you bite your lip, stop it.

Okay women relay dancing to sex. Alright. Even a great dancer can lose it with one of these.

Hitch does wild dance move.

Albert

Okay now that's what I need to be learning.

Albert dances.

Albert

Can't stop it. You cannot stop it. Next subject.

Hitch smacks Albert.

Hitch

Get out.
