

JOHNNY SUEDE

DEKE

Okay...For moving in. Against moving in. Now I will suggest that you start with the reasons for moving in because those are the hardest. Okay, let me have a couple.

JOHNNY

Okay... she's got a color TV.

DEKE

There you go. Color TV. Alright. Next.

JOHNNY

Oh, she's got an extra room. She says I can play my guitar in, kinda like my own private room.

DEKE

Hmm. That's nice. That's nice. Private room. Oh yeah. Next

JOHNNY

She's always got things lying around to eat, you know like nuts and crackers and shit.

DEKE

Hey man, you could eat while you watch TV. You know what I am saying.

JOHNNY

Oh, yeah.

DEKE

So, we will call that snacks, okay? Anything else?

JOHNNY

Nope, nope!

DEKE

Let's proceed to the reasons against.

JOHNNY

If I moved in with her, I will be locked up with her 24 hours a day Ya know, go to bed, there she is. Wake up, there she is again.

DEKE

So what, you saying, you feel like...

JOHNNY

I feel like I was in prison.

DEKE

Okay, prison similarities.

JOHNNY

Good, uhh.

DEKE

Next.

JOHNNY

Well, I couldn't do any of the things that guy does. Ya know? I mean, say I wanted to walk around in my underwear. No. Say I had to make a fart. I, I probably had to go into my private room to just make a fart.

DEKE

Yeah, you probably would, man. You know, okay. Things, things a guy does. Okay, next.

JOHNNY

She threw a shoe at me once.

DEKE

Aw, that's bad. That's very bad. Shoe throwing tendencies.

JOHNNY

Okay. How many is that?

DEKE

Uh, it's tied up. Three to three.

JOHNNY

Okay, let's face it. She is probably the exact opposite type of girl I would normally date. Ya know, she's got a weird job, she dresses funny. She can't even put on make up, man.

DEKE

Opposite types.

JOHNNY

That's us.

DEKE

Well, there it is, pal. Three reasons for. Four reasons against.

JOHNNY

I guess that's it.

DEKE

Hey, numbers don't lie.

JOHNNY

And hey, just because I don't move in with her, doesn't mean I can't still see her, right?

DEKE

Hey, hell no man.

JOHNNY

I mean, because I do like the girl. Yeah. Sometimes, ya know when I am just...sitting around, she starts rubbing my ear real soft. I like that.

DEKE

Um.

JOHNNY

Wuh, that's not a reason 4, man

DEKE

I don't know man. The way you described it makes me want to meet a girl like that. It's tied up again, Johnny.

JOHNNY

I know, I know. Just shhh...I gotta think...uh...Okay. See that? Color TV? Never watch it. Um um

DEKE

Are you sure?

JOHNNY

Positive... Now, I just gotta find a way to break it to her.
