

White Men Can't Jump

SIDNEY

Vista View. The flyest view in the
Jungle.

BILLY

Home sweet home.

SIDNEY

You know it baby. That was a good
run today. Good run. Maybe you
should take some of that money you
made and get some new clothes.

BILLY

Hey man, these clothes are classics.

SIDNEY

You got a fine woman.

BILLY

Keep your hands off her.

SIDNEY

What's the matter with you. I said
she was fine. I didn't say I was
going to touch her.

BILLY

Hey, you touch her I'll kick your
ass. You hear me?

SIDNEY

Ho, Ho Ho Ho. Looky, Looky, Looky,
it's all starting to come clear isn't
it?

BILLY

Good.

SIDNEY

You're a real cool customer on the
court. Real like chill out on the
street. Can't be rattled in your
game. No, no, no, no, no. You don't
even fall for that nigger shit out
there on the court. But when it
comes to your woman, now now see
that's a different matter altogether.
Look at you, I ain't even trash, I
didn't even push up on the sister
and you already thinking about it.

BILLY

Shut the fuck up.

SIDNEY

No, no, no, no, this is good. This is relay good shit to know. I know your weakness. Billy you just like all the other white boys I've ever met.

BILLY

You're just like every other brother I ever saw on the play ground.

SIDNEY

Alright baby, kick some shit.

BILLY

You'd rather look good and los than look bad and win.

SIDNEY

Fuck you. You don't know shit about me.

BILLY

I know plenty about you Sidney. How many dinners this chain set your family back?

SIDNEY

Just go home, get you some rest. Okay, Brady Bunch?

BILLY

I ain't tired.

SIDNEY

Bye Gloria. Yo it was nice seeing you again. Alright take care. You know I really like these rings. They kind of fly. Take care. Yo, Billy tomorrow we goin' to 103rd street. We goin' hustle out there. That's Watts. Tough games out there. Big Bucks.

BILLY

Mmmm-hmmm.

SIDNEY

Don't take it personally baby. We teammates. Ebony and Ivory.

BILLY

Hey, I got your partner.

SIDNEY

Oh, right fuck me. I know one thing.
(MORE)

SIDNEY (CONT'D)

You better get your ass across LaBrea
before sundown.

BILLY

No problem.
